

Teams that have not pre-registered and received their parking pass/boat ramp pass in the mail **MUST FIRST** register at the tournament site.

Once you have your parking/ramp pass you may proceed to the boat ramp and unload your boat.

When your boat is unloaded then you may then go to the tournament site and drop-off your trailer.

After your trailer is dropped off and secured you may proceed to check-in your team.

If at any point you have questions, please call the tournament hotline at 305-461-2700.
